MEGA MOMENT!

Episode: The God Complex

Creature: The Minotaur

Chosen by: Stephen Wood

Tell us why: "I like it when the Doctor tricks the Minotaur into going into the hotel salon. He goes mad when he finds out!"

Is there a scene you'd like to see printed here? Email us at dwa@bbc.com and let us know!

MONSTER WATCH!

Hello, Time Travellers!

Have you ever been to a galaxy that is made out of blackcurrants? No, nor have I – but that's exactly where I plan on going later. I'm taking the Ponds on a surprise outing. The fact we're going somewhere for a tasty picnic will be a nice surprise. The fact it's a galaxy made out of blackcurrants will be an even nicer surprise! The fact that they'll get a bright purple suntan is quite a distressing surprise – but they'll get used to it after the first couple of years. We'll take our expandable Dalek disc. Yay!

DOCTOR DENIED!

THE MOFF WOULD SAY NO TO BEING A COMPANION!

He might be the big brain behind *Doctor Who*, but showrunner **Steven Moffat** has revealed that he would not like to join the Doctor in his adventures! "If he stopped here now, I don't think I'd go with him," says Steven. "I'd say, 'It's far too dangerous, I've got a life, I'm not leaving, **I'm busy**!'" Well, if anybody knows what **thrills and spills** await the Doctor, it's Mr Moffat! He probably couldn't go because he's too busy planning loads of **exciting new stories**! Woohoo!

COULD YOU TRAVEL WITH THE DOCTOR?

TICK ALL THE STATEMENTS YOU AGREE WITH. IF YOU TICK MORE THAN FOUR, YOU'D MAKE A GREAT COMPANION!

I'm not afraid of killer robots! ☐	I just love adventures! ☐	I can drive the TARDIS! ☐
I have my own bow tie! ☐	I can run away from aliens! ☐	I want to see everything! ☐

MONSTER COMPANIONS!

This week: Sycorax

The Doctor's verdict: I'm not so keen on this idea. I mean, they're all sort of angry. And they like turning people into smouldering piles of bones with their energy whips. I do like their red capes, though! But ultimately, it's a no from me.

Email **your** ideas for monster companions to **dwa@bbc.com**. We'll make sure the Doctor answers the very silliest ones.

THE MADMAN IN A HAT!

AN ADVENTURE'S MORE FUN WITH THE RIGHT HEAD GEAR, SAYS THE DOCTOR

1

The first thing I remember is **regenerating**. And also the TARDIS being **on fire**. And it was crashing. **Geronimo**! But also, waaah!

4

I wore a fancy **top hat** to Amy and Rory's **wedding**. There was cake and balloons and **dancing**. Love a wedding!

5

Then I rode on a **rickshaw** pulled by a **flying shark**. I got to wear a **Christmas hat** at the same time!

6

While exploring a spooky American warehouse run by the wicked **Silence**, I got to try on a cool **space helmet**. Amy wasn't impressed.

9

My mate **Craig** gave me a cool **Stetson** for my trip to Lake Silencio, USA. But River blasted it again. I wish she'd stop doing that!

10

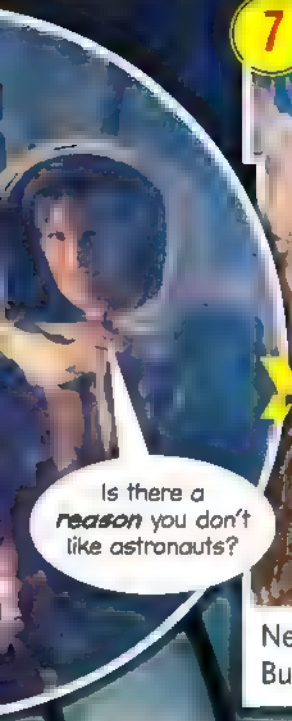
I tried to put on the **Wooden King** and **Queen**'s crown but it was a bit ouchy.

2

Once I'd finished crashing, I met a girl called **Amelia** who fed me **fish fingers and custard**. We became best friends!

3

Amy and I had lots of cool adventures. After we fought an alliance of monsters at the **Pandorica** under **Stonehenge**, I got to wear a really cool **fez**. Until River Song blasted it. Hmf.



7

Next I got to wear a **pirate hat** and say **"Aarrr!"** But they tried to make me **walk the plank**.

8

I outfoxed the **Headless Monks**, Colonel Manton and **Madame Kovarian** by wearing a **hood** and asking a few friends for help.

1

So I went for Christmas dinner at the **Ponds' house** with no hat at all to wear. Imagine! I was so sad about that I even cried. Amy and Rory just thought I was pleased to see them.

12

But look! You'll soon see me in the **Wild West** – and what's that on my head? It's a cool **cowboy hat**! Wahoo! But can I keep it?

THE RIDE GETS GOING...
Who's he trying to kid? This is just cheesy!
I think it's brilliant. Remember why we're here though, Pond.
Yeah, I know. All those rumours about people disappearing...
...and showing up, a few days later, with no memory of where they've been.
RARGH
It's hard to get excited about fake vampires when you've met the real thing. Isn't that right, Rory?
Rory?
He was in that carriage!

LATER, AFTER THE FAIR HAS CLOSED...
There's no way Rory would have felt so scared, he ran away – I don't care what that man thinks!
We'll find him, Amy. I'll just sonic this door open...
...and we'll find out what's going on.

The nightmare machine is working. I can taste the human's fear!
...no more monsters, please...
Huh?
There's nothing to be afraid of. You can fight the monsters, Rory.
Pond's right. You're the Last Centurion, remember? Monsters don't scare you!
Got to fight the monsters. Got to .. got to...
No! The human has overcome his fears – but how?!
...wake up!

BACK INSIDE THE GHOST TRAIN...
Something's happening to the ghosts. Let's shed some light on the subject.
Noooooo...
VREEEEE
Thought so. They're Phobovores. Creatures that feed off fear.
But what's wrong with them?
I think your answer is just climbing out of that sarcophagus. There must be a secret room back there.
Amy! Doctor!
They're disappearing!
They're being dragged back to their dimension. There's nothing to keep them here, if none of us are afraid of them.
WOOOOOOSSHH
I'm really proud of you, you know, overcoming your fears and sending the monsters packing.
It's easy to face your nightmares, as long as you know you're not facing them alone.

DOCTOR WHO SECRETS REGENERATION!

THE TENTH DOCTOR REGENERATES – AND SETS FIRE TO THE TARDIS!

David Tennant is filmed in front of a green screen. The green makes it easier to match up special-effects shots later!

HA HA! LOOK WHAT THEY DREW!

THE SCRIPT!

106 INT. TARDIS - NIGHT 11
Then, quietly:

THE DOCTOR
I don't want to go.

And then, slowly...

FX: CU THE DOCTOR, as gently, a shroud of calm GOLDEN GLOW rises up around his head, his features still visible.

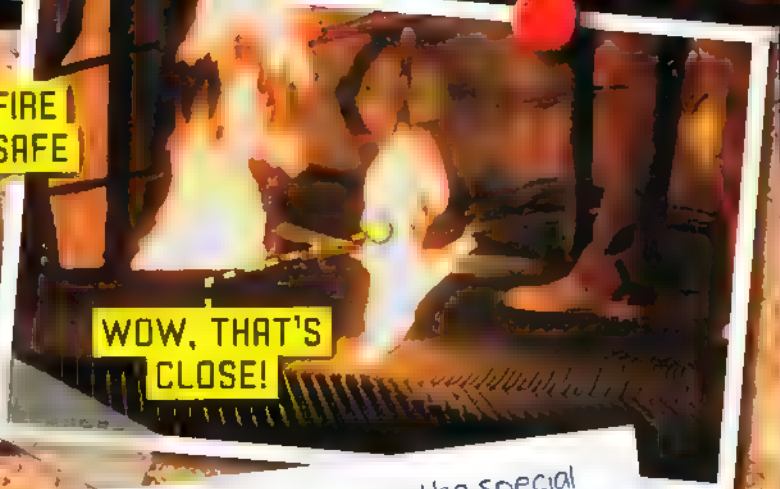
FX: MID-SHOT DOCTOR, lifting his GLOWING HANDS, in amazement, his face still visible within its glow.

And then, a sudden acceleration, wham - !

THE TEAM CHECKS THE SHOTS

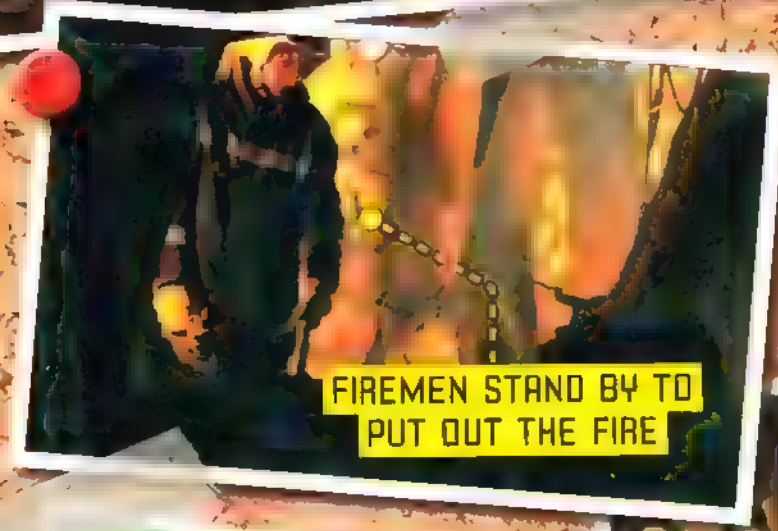
HOW IT LOOKED IN THE SHOW!

TESTING THE FIRE EFFECTS ARE SAFE



WOW, THAT'S CLOSE!

Pipes of gas mean the special effects team can control the fire safely – and there are firemen standing ready. Even so, it's still very hot on set for David Tennant! He's brave!



FIREMEN STAND BY TO PUT OUT THE FIRE

THIS WHITE CROSS HELPS THEM MATCH UP THE SHOTS

THE TWO DOCTORS!

Then it's Matt Smith's turn to shoot his first scene and take over control of the TARDIS!

THE ADVENTURE CONTINUES! GERONIMO!

164 INT. TARDIS - NIGHT 11

The NEW DOCTOR stands there, panting, trying to focus. Staggers slightly, legs buckling, like a new born foal. Steadies. Looks down at himself...

THE NEW DOCTOR
Legs! Still got legs, good! Arms! Hands! Ooh, lots of fingers!

(Running his hands over his face now)

Ears, yes! Eyes, two! Nose, I've had worse. Chin, blimey! Hair... I'm a girl!

DOCTOR, DOCTOR!

DO YOU HAVE A PROBLEM THAT NEEDS SOLVING? THEN ASK THE DOCTOR!

THE AGE OF STEEL!

Dear Doctor,
How can you tell how old a Cyberman is?
Ethan Hoggett

THE DOCTOR REPLIES:
Well, you can't ask a Cyberman how old they are, Ethan – that is just rude! Even emotionless cyborgs can be sensitive about their age. I think the safest thing is to keep spying on one until you see them having a birthday party. Then you can count how many candles are on their cake. If they're as old as me they will have loads of candles and a huge cake. Also, look for rust spots and general wear and tear.

TV TIMES!

Dear Doctor,
What sort of TV programmes do you like?
Peter F Yates

THE DOCTOR REPLIES:
I'm usually way too busy to sit down and watch telly, but the TARDIS does have over 40,000 televisions – and they pick up shows from all over the universe. I rather enjoy *Santar's Got Talent*, a nice little Dalek soap called *Extermination Street* and a wacky show called *Bear With Me*, which is about three people living with a bear! How brilliant is that! Three humans and a bear – have you ever heard of anything like it?

FOOD FORMULAS!

Dear Doctor,
When did you first discover that fish fingers and custard was your favourite food combination? I like chocolate fingers in ketchup!
Annabelle Hodges

THE DOCTOR REPLIES:
After my last regeneration it took a few experiments before I came across the taste sensation that is fish custard. That was my first encounter, but not my last, Annabelle! Now everyone's mad about it. You can get fish custard bars, fish custard cereal, fish custard in a tube, fish custard lite and even fish custard T-shirts!
